

## **Division of HIV, STD, and Pharmacy Services Grant Funding and Competitive Award Schedule**

Below are the competitive grant programs available through the Division of HIV, STD, and Pharmacy Services. Please note that dates for new cycles of competition, award amounts, and number of recipients are subject to change.

**Name:** AIDS Service Organizations

**Description:** Provides awards for five regional HIV prevention programs to reach populations at greatest risk for HIV. Racial/ethnic minority populations must be targeted.

**Eligibility:** Agency must have 501(C)3 status and have a primary or sole mission of providing HIV prevention and support services. If the lead agency is not a minority community-based organization (CBO), it must include collaboration with a minority CBO.

**Current Funding:** \$650,166

**Current Contractors:** Five

**Next Competitive Announcement:** Fall 2006

**New Award Start Date:** January 1, 2007

**Name:** Minority AIDS Projects (prevention services)

**Description:** Addresses the disproportionate impact of HIV in racial/ethnic minority communities through funding of minority community-based organizations (CBO) in the nine most heavily impacted localities.

**Eligibility:** Agencies must qualify as minority CBOs. The revised definition include having a history of providing services in the area for two years and proof that 75% of the agencies service recipients for the past four years have been racial/ethnic minorities.

**Current Funding:** \$765,000

**Current Contractors:** Nine serving the health districts of Alexandria, Arlington, Crater, Fairfax, Hampton/Newport News, Norfolk, Portsmouth, Richmond and Virginia Beach

**Next Competitive Announcement:** Fall 2007

**New Award Start Date:** January 1, 2008

**Name:** AIDS Services and Education Grants

**Description:** Funds innovative HIV prevention projects for high-risk populations as well as case management, support services and volunteer training to assist people living with HIV.

**Eligibility:** No restrictions

**Current Funding:** \$200,000

**Current Contractors:** Six

**Next Competitive Announcement:** Spring 2004

**New Award Start Date:** July 1, 2004

**Name:** High Risk Youth and Adults

**Description:** Funds HIV prevention interventions targeting injecting drug users, incarcerated adults, incarcerated youth, other high-risk youth, the homeless and other high-risk populations.

**Eligibility:** No restrictions

**Current Funding:** \$350,000

**Current Contractors:** Nine

**Next Competitive Announcement:** Fall 2004

**New Award Start Date:** January 1, 2005

**Name:** MSM HIV Prevention Grants

**Description:** Funds HIV prevention services among men who have sex with men (MSM). Sub-populations may include MSM of color, young MSM, men who do not identify as gay or bisexual and MSM who also inject drugs.

**Eligibility:** No restrictions

**Current Funding:** \$ 250,000

**Current Contractors:** Six

**Next Competitive Announcement:** Fall 2005

**New Award Start Date:** January 1, 2006

**Name:** African American and Hispanic Faith Initiative

**Description:** Provide funds for faith-based prevention education, clergy training and community mobilization within African-American and Hispanic communities.

**Eligibility:** The lead agency must be a minority community-based organization (CBO) or religious institution. A non-minority CBO may subcontract or partner with a minority church but the fiscal agent and contractor must have minority status.

**Current Funding:** \$128,000

**Current Contractors:** Three

**Next Competitive Announcement:** Fall 2005

**New Award Start Date:** January 1, 2006

**Name:** OraSure Testing and Intensive Outreach Services

**Description:** Funds street and community-based oral HIV testing and intensive outreach services to men who have sex with men and injecting drug users with an emphasis on reaching racial/ethnic minorities. A limited amount of testing may be conducted for other high-risk populations.

**Eligibility:** No restrictions

**Current Funding:** \$410,000

**Current Contractors:** Six

**Next Competitive Announcement:** Fall 2005

**New Award Start Date:** January 1, 2006

**Name:** Primary Prevention for Persons Living with HIV

**Description:** Funds primary prevention (prevention of new HIV infections) among persons living with HIV

**Eligibility:** No restrictions

**Current Funding:** \$335,000

**Current Contractors:** Seven

**Next Competitive Announcement:** Fall 2005

**New Award Start Date:** January 1, 2006

**Name:** Minority AIDS Initiative (care services)

**Description:** Provides multiple awards for minority community-based organizations for the purchase of educational and outreach services that result in increased enrollment of racial/ethnic minorities in the Virginia AIDS Drug Assistance Program and/or other HIV care services.

**Eligibility:** At least 51% of key staff/managers of the agency must be members of a minority community.

**Current Funding:** \$145,007

**Current Contractors:** Four

**Next Competitive Announcement:** Fall 2004

**New Award Start Date:** April 1, 2005

**Name:** Ryan White CARE Act, Title II Consortia

**Description:** Provides awards to five regional consortia to provide care services to persons living with HIV.

**Eligibility:** No restrictions but applicant must serve as a lead agency for a consortium of organizations.
